

Concerts in the Park

26th Annual Concert Series 2023

Patron Protocols

1. The Farnsworth amphitheater has a seating capacity of approximately 700. To ensure a safe and enjoyable experience for all, attendance will be estimated by providing wrist bands to all patrons at the time of entry, enabling the Rotary Club of Altadena to monitor the number of patrons in the amphitheater. Arriving patrons will be notified when the amphitheater has reached its capacity limit.
2. Wrist bands will be distributed on a first-come, first-served basis beginning at 5:00 p.m. the night of the concert.
3. Each patron must wear a provided wrist band.
4. Patrons may reserve seats for their group with blankets, stadium seats, etc. **Please note that the Rotary Club of Altadena and the County of Los Angeles Department of Parks and Recreation are not responsible or liable for personal property.**
5. Reserved seats must be occupied (with wrist band) no later than 6:40 p.m., no exceptions.
6. After 6:40 p.m., personal property holding unoccupied "saved seats" shall be removed, making seats available for patrons on site. Personal property will be placed at the Rotary Table inside the Davies Building for pick up. Items not picked up that evening will be left with Farnsworth Park Lost & Found for pick up during the park's regular hours.
7. Stairs and walkways must always be clear. Sitting on stairs is not permitted. Standing in or placing chairs in walkways is not permitted.

Pet Protocols

We are delighted to welcome you and your furry friends to our park amphitheater for a fantastic summer concert. We understand that your dogs are an important part of your family, and we want to ensure a safe and enjoyable experience for everyone in attendance. To help make this event a success, we kindly ask you to follow these guidelines for proper pet handling:

1. Leash your dog. Dogs must always be on a leash while inside the park and amphitheater.
2. Bring waste bags. You are responsible for cleaning up after your dog.
3. Respect personal space. While we encourage socializing, it's important to be mindful of personal space. Keep your dog close to you and avoid allowing them to jump on or approach other attendees without their consent.
4. Consider your dog's behavior. If your dog is prone to anxiety or aggression in crowded situations, it may be best to leave your dog at home. Loud music and large crowds can be stressful for some pets, and it's crucial to prioritize their well-being and the comfort of others.
5. Thank you for your cooperation in making this event a pleasant and safe experience for everyone. We appreciate your commitment to responsible pet ownership and look forward to enjoying the live music with you!

Thank you for helping us make this a safe and enjoyable experience for our entire community.
